TĀVAI SPA

By Pearl Resorts

## OUR PHILOSOPHY

*In Polynesian culture, massage has been elevated to an art of living. It is part of traditional therapeutic medicine and allows everyone to maintain their spiritual, psychological, and physical harmony.*

The Tāvai Spa offers a range of treatments inspired by this ancestral know-how and heritage combined with the latest standards and techniques. Responsive to your needs and your aspirations, we will accompany you throughout your journey. Body massages, facials, tropical baths, body scrubs... Whatever experience you choose, the Tāvai Spa team reserves you a haven of relaxation and serenity in Bora Bora.

## OUR BRANDS

We have carefully selected our partners to assist us in this initiative and have chosen the prestigious brands "PACIFIC SUD" and "THÉMAÉ Paris" whose philosophies bring us together.

### FACIAL TREATMENTS

**THÉMAÉ**  
PARIS

Born in 2007, it's inspired by culture and the art of tea. The brand relies on the benefits of this ancient plant, in particular for its antioxidant qualities, scientifically proven. THÉMAÉ offers a natural world with effective cosmeceutical products, formulated and manufactured in France by an expert laboratory. Their signature is expressed through exquisite and melting textures, refined and delicate perfumes...

### BODY TREATMENTS

 Laboratoire de  
Cosmétologie  
du Pacifique Sud

Founded in 1992, the "Laboratoire de Cosmétologie du Pacifique Sud" is an artisanal and family brand that honors the beauty rituals, the tradition of care and the art of formulating the benefits of the plants of Tahiti and her islands. A pioneer of a sustainable approach in Polynesia, the brand is committed to preserving cultural and botanical heritage and to perpetuating traditional know-how.

## TRADITIONAL MASSAGE

Literally translated as "contact with others through energy and touch", the TAURUMI is a therapeutic practice inherited from the Polynesian tradition. This art, which combines touch and massage, is commonly practiced in our islands. According to the ancestors, the TAURUMI is a treatment that prevents and heals physical and spiritual pain by focusing on the different energy lines of the human body.. True traditional medicine, this massage would allow to remove negative energies from our body.

## ORIGINAL BEAU'TEA TREATMENT

*This full facial treatment targets the signs of aging and allows the skin to « recharge » with intense hydration.*

After a complete cleansing, a fruit enzyme peeling or a scrub with rice powder brings forth a "new skin", while smoothing the skin texture. Dermo-kneading anti-aging can then smooth the areas of the face with lines and wrinkles. The efficiency is increased tenfold with the choreographed movement of the Ridokis, accessories used to stimulate the facial expression zones. The skin is ready to receive the hydra-plumping mask with pure active collagen. The relaxation is prolonged with a nutri-regenerating massage of hands with an ultra-melting balm. The skin is plumped, like it has been "lifted".

75 minutes

1 person: 20 500 xpf

## PURE'TEA TREATMENT

*This detoxifying treatment is ideal for purifying and oxygenating combination to oily and clogged skin.*

It offers the face a double gentle cleansing, enzymatic peeling with papaya enzymes and a detox mask with white clay. The efficiency is increased tenfold with the choreographed movement of the Ridokis, accessories used to stimulate the facial expression zones. Finally, a relaxing massage of trapezius, neck, neckline, hands and arms, turns this treatment into a real moment of pleasure. The skin is clear, the complexion looks fresher, revealing all its radiance.

50 minutes

1 person: 16 000 xpf

## HYDRA'TEA TREATMENT

*This essential moisturizing treatment is ideal for rejuvenating stressed and thirsty skin.*

It offers the face a gentle double cleansing, a scrub with micro-particles of rice powder, a steam bath and a mask with extracts of lupine and moringa. The efficiency is increased tenfold with the choreographed movement of the Ridokis, accessories used to stimulate the facial expression zones. The whole face then benefits from acupressure and a massage with the satin smooth touch of "Huile des 4 Thés®" dry oil, with a subtle fragrance of fresh flowers. Finally, a relaxing massage of trapezius, neck, neckline, hands and arms, turns this treatment into a real moment of pleasure. The skin is fresh, bright and intensely hydrated.

# THÉMAË SIGNATURE CEREMONY

*This intensely relaxing signature ritual combines a deep back massage, an ultra-moisturizing facial and a relaxing foot massage.*

Relaxation begins with a massage of the back, arms and neck with relaxing techniques, to resolve tensions in depth. The Hydra'tea facial treatment then offers an "infusion of hydration" to the skin, for a fresh and rested complexion: deep cleansing of the skin, exfoliation with micro-particles of rice powder, face massage with dry oil and detox-radiance mask. Finally, a relaxing foot massage with ultra-melting balm completes this intensely relaxing ceremony.
