DIVE FOR A PEARL

We offer you the unique opportunity to live the experience to the end: dive yourself on the lines, choose an oyster, and bring back a pearl, perhaps exceptional...

By appointment, Rainui will be happy to take you diving on their lines near the reef. In an idyllic setting, you can admire the fish cleaning our oysters and better understand the work of the farm. You can choose an oyster and once back at the pontoon, have the surprise of discovering your pearl (with the guarantee of having a marketable pearl).

It is a very easy-to-access activity, which is also suitable for younger adventurers!

DEPARTURE :

To be determined with the concierge at the activity desk

RATE (two options):

- Diving at 40 100 xpf (336€) for 6 oysters (marketable pearl)

- Diving at 40 100 xpf (336€) (1 oyster with pearl of quality)

CORAL GARDNER

Sponsor a coral cutting and help preserve the Taha'a Coral Garden.

Coral ecosystems are hotspots of biodiversity based on a fragile balance. Coral reefs are now threatened and need to be preserved. With our partner Espace Bleu we offer you to adopt a coral and leave your name forever in the coral garden of Taha'a.

To do this, you just have to choose the letters, made of ceramic, which will serve as support for your cuttings.

A coral cutting will be attached to each of the selected letters and the set will be installed in the hotel's coral garden. From then on, you will receive a photo and a dying certificate by email. A new photo will be sent to you after six months so you can see the growth of your cuttings.

Once mature (after one year), your cuttings will then be installed in the natural coral garden so that it can be reseeded in coral and restored. This will be an opportunity to address you a last photo of your corals with their GPS point.

INCLUDED:

A cutting certificate
3 photos of your cuttings (at installation, after 6 months and one year)
GPS coordinates

RATE

2 500 xpf / cut out letter

For each sponsored cutting, a portion of the amount (1 000 xpf) will be used to finance the maintenance of the Taha'a Natural Coral Garden.

RAIATEA DISCOVERY

Raiatea, the sacred island.
