SIX SENSES

FIJI

*In memory of every time you've murmured, "I wish I could live here", comes an inspired take on high grade living. It's name is Vunabaka, a 120-acre residential and hotel development set in tropical Fijian paradise.*

*Vunabaka represents indulgent holiday life as nature intends and is privileged to have the masters of resort luxury, Six Senses, taking care of your Fijian experience.*

*This is a rare ownership opportunity that allows you to disappear into tropical climes whenever the whim should arise. It's a chance to buy property and build a residence which echoes the warmth of its surroundings, enjoying the many luxuries of the Six Senses Fiji five-star hotel.*

*This is island life, but not as you know it.*

### **Paradise in progress**

*Stage one and two civil works have been completed. Construction of the Six Senses Fiji and Residences has also begun.*

*Vunabaka beach front villas  
under construction - April 2016*

## Beach Residence

*It's officially waterfront living when  
your front door is a white sand beach.*

**Hilltop Residence**

*Choose a higher vantage point  
for its superior ocean views.*

**Marina Residence**

*Park your boat out front and  
enjoy water sports on a whim.*

*Breezy open-plan designs for when you'd prefer to spend most of your time outdoors.*

*Organic, elegant interiors  
perfect to lounge in.*

**Vunabaka Bay**

*At the center of Vunabaka  
is Six Senses Fiji a  
boutique luxury hotel.*

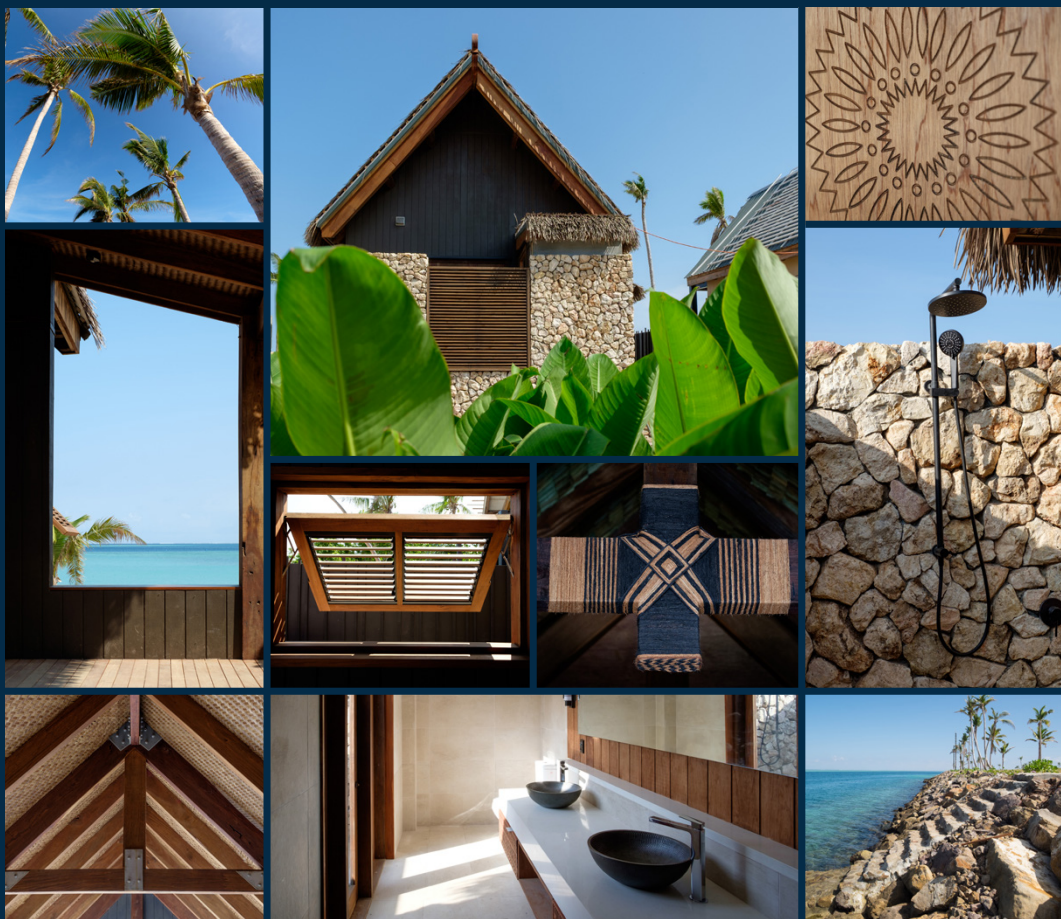

**Six Senses Fiji**  
*The hotel offers a place to  
reconnect in a laid back &  
relaxed atmosphere*

*Daily nourishment and sea views at the Six Senses Fiji restaurant Ceguva.*

*Tropical Villa and Resort Accomodation*

*The ocean is your playground at Six Senses Fiji*

*Vunabaka, managed by Six Senses Fiji on Malolo island, is only 35 minutes by boat from Nadi and 10 minutes by helicopter. There are at least six world class surf breaks within 15 minutes boat ride.*
