PRIVATE ISLANDS
MALDIVES

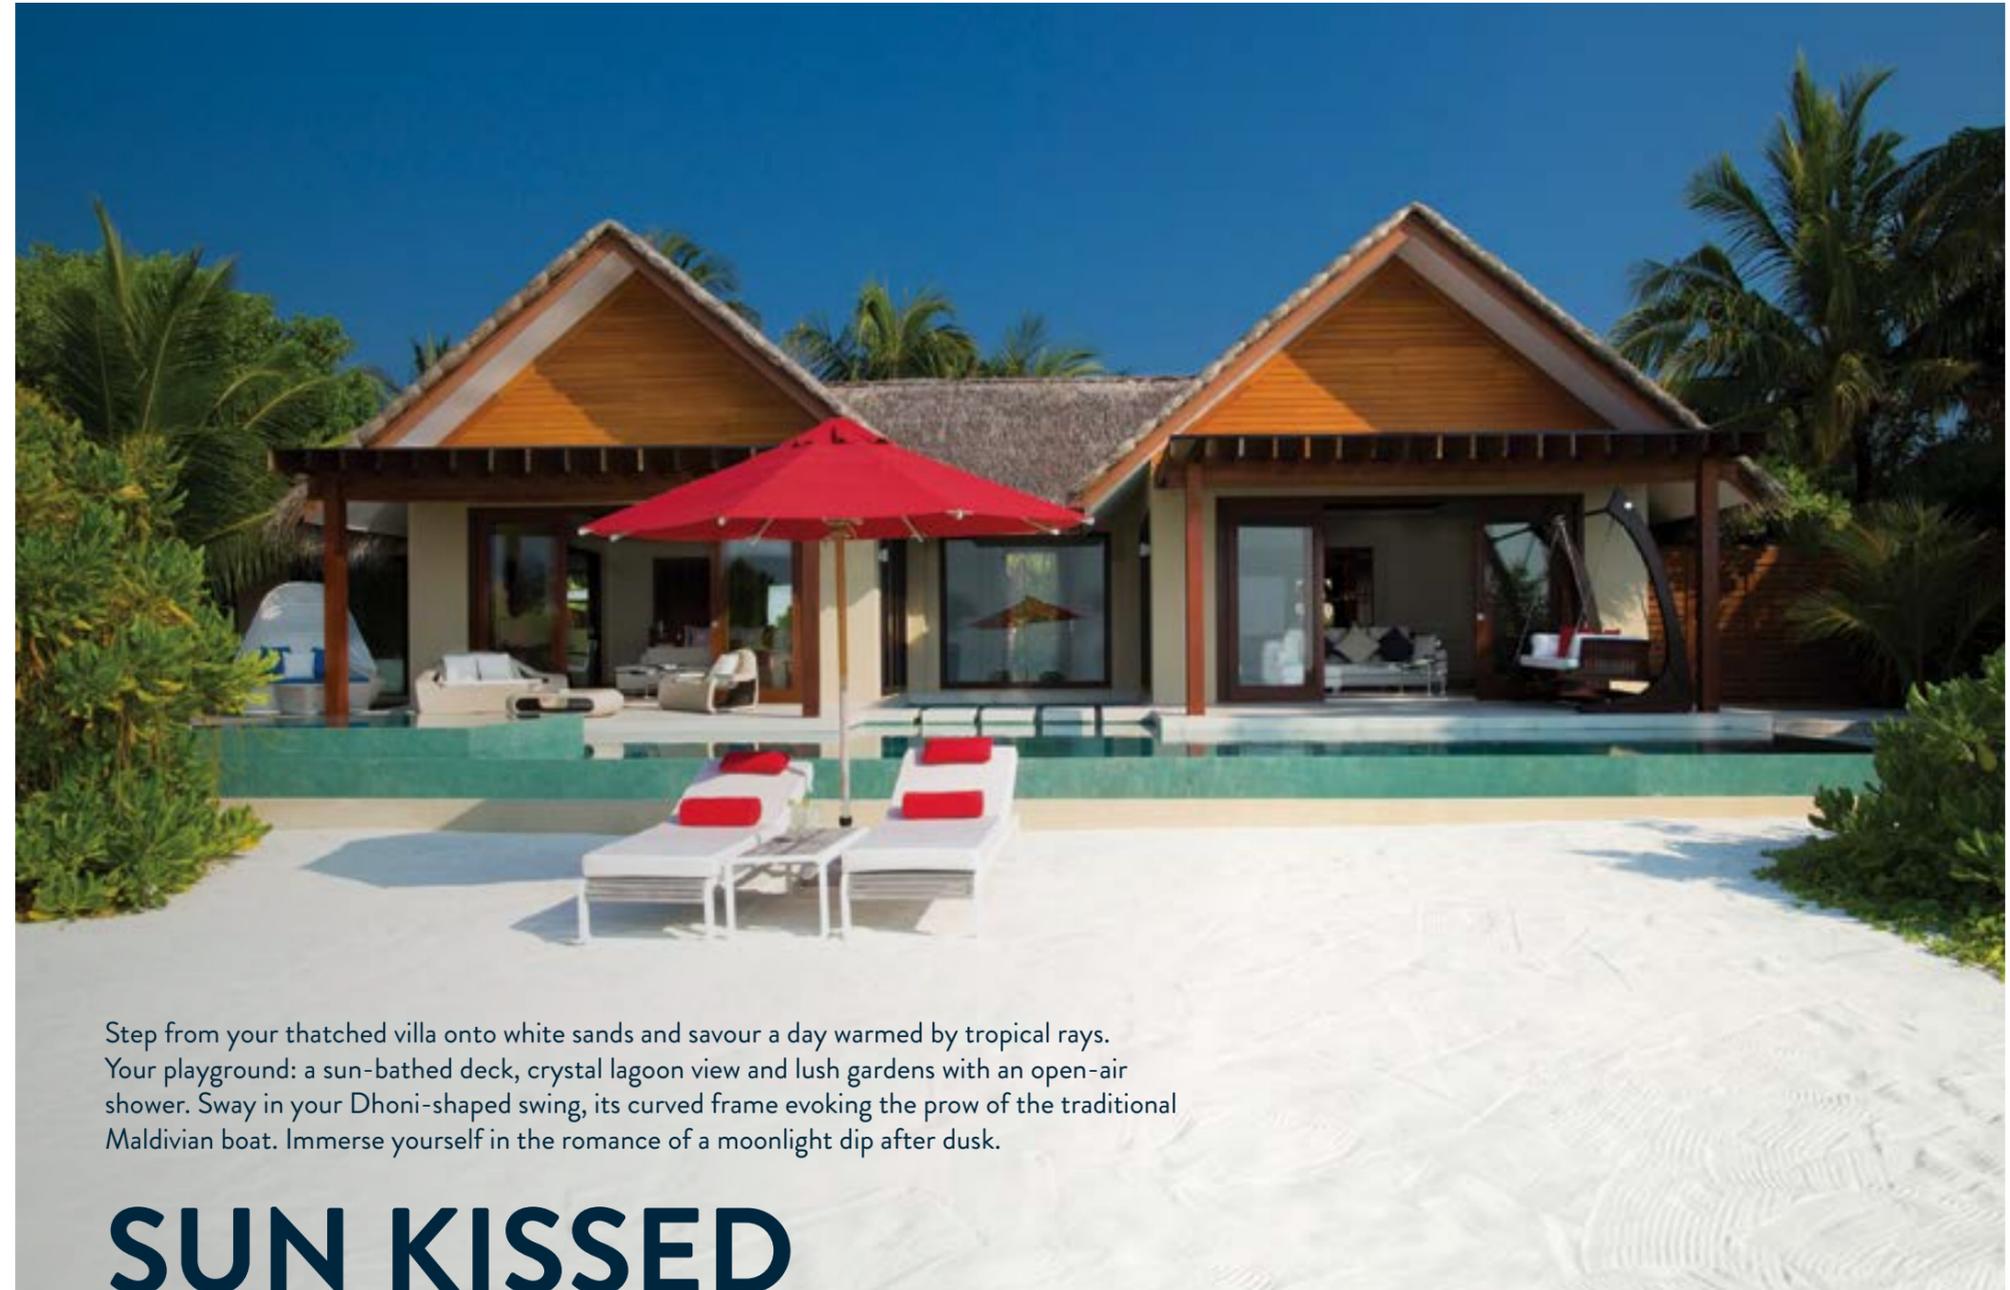

NATURE'S PLAYGROUND

Double your pleasure. With twin islands Play and Chill, Niyama Private Islands Maldives offers the luxury of choice, catering to your holiday desires.

At Play: Feast in the treetops. Hang ten on a surf break. Float into the infinite horizon or dive offshore through the kaleidoscope of the reef. Kick things up a notch in villas set on white sands and tailored to adventurous honeymooners, active couples and style-savvy families.

At Chill: Revel in a peaceful moment within the cocoon of the spa. Drift in culinary heaven 500 metres out to sea or dine ashore in wild Africa. Soothe your soul to the slow rhythms in over-water studios. Lounge against the flowing oceanscape in an underwater playground.

Find your island niche and settle in, or jump back and forth between high-energy indulgences and cool serenity.

Step from your thatched villa onto white sands and savour a day warmed by tropical rays. Your playground: a sun-bathed deck, crystal lagoon view and lush gardens with an open-air shower. Sway in your Dhoni-shaped swing, its curved frame evoking the prow of the traditional Maldivian boat. Immerse yourself in the romance of a moonlight dip after dusk.

SUN KISSED

STAR EMBRACED

Over-water ocean havens with plenty of space to chill, play or both. Lounge on your private deck and gaze upon swathes of turquoise, azure and lapis brushed across sea and sky. Bronze by the water's edge or shelter in the shady arc of a floating daybed. Descend your stairs into the lagoon and make friends with the fish beneath your villa. When the stars come out to play, join them in the twinkling lights of your fibre-optic lit infinity pool.

CAST AWAY, TOGETHER

Live the life of ultimate Maldivian leisure in two-bedroom villas nestled in jungle green or topping the mirror of the ocean. Island breezes flow through spacious rooms. Light up the night with a playful pool party. Dig into fluffy little clouds from your villa's own popcorn machine and share a movie in surround sound. Seize your own private world in The Crescent: a personal playground of 5 pool villas for up to 14 adults and 8 children.

CALL OF THE WILD

Dine at sea, on a private island, with rooftop cocktails, white-sand casual or surrounded by tree canopy and birdsong.

DEEPEST DESIRES

Delve six metres below the surface for bubbles and canapés. At the island's heart, a campfire dances, smoke-kissed dishes embracing a touch of the exotic.

LUXURY AT PLAY

Zoom through the sea on an underwater rocket. Skim its surface atop a catamaran, jet ski, parasailer or surfboard. Battle man versus beast in a big game fishing expedition, reeling in a great trevally or majestic sailfish. Immerse yourself at the 'cutting-edge-in-sports' simulator rooms. Release your inner child, or introduce your children to Zumba Kids.

CHILLED TO PERFECTION

Bask in morning's first rays and salute the sun with yoga at dawn. Meander alongside living walls of green. Fish-whisper with a marine biologist. Gaze into the liquid crystal through a glass kayak or spot frisky spinner dolphins surfing at sunset. Float through the darkness and glimpse species by torchlight as you night snorkel the reef. Then fold into each other as you take in a private spectacle of cinema under the stars.

VIP GUESTS

You and your young ones follow the winding curves of a sandy trail into island forest. The outside world slips away as you approach Explorers Kids Club, where imagination reigns supreme and childcare is our mantra. Young VIPs embark on safaris, explore wildlife, go gourmet with Master Chef classes or scout for dolphins in the Indian Ocean.

DRIFT BY NIYAMA

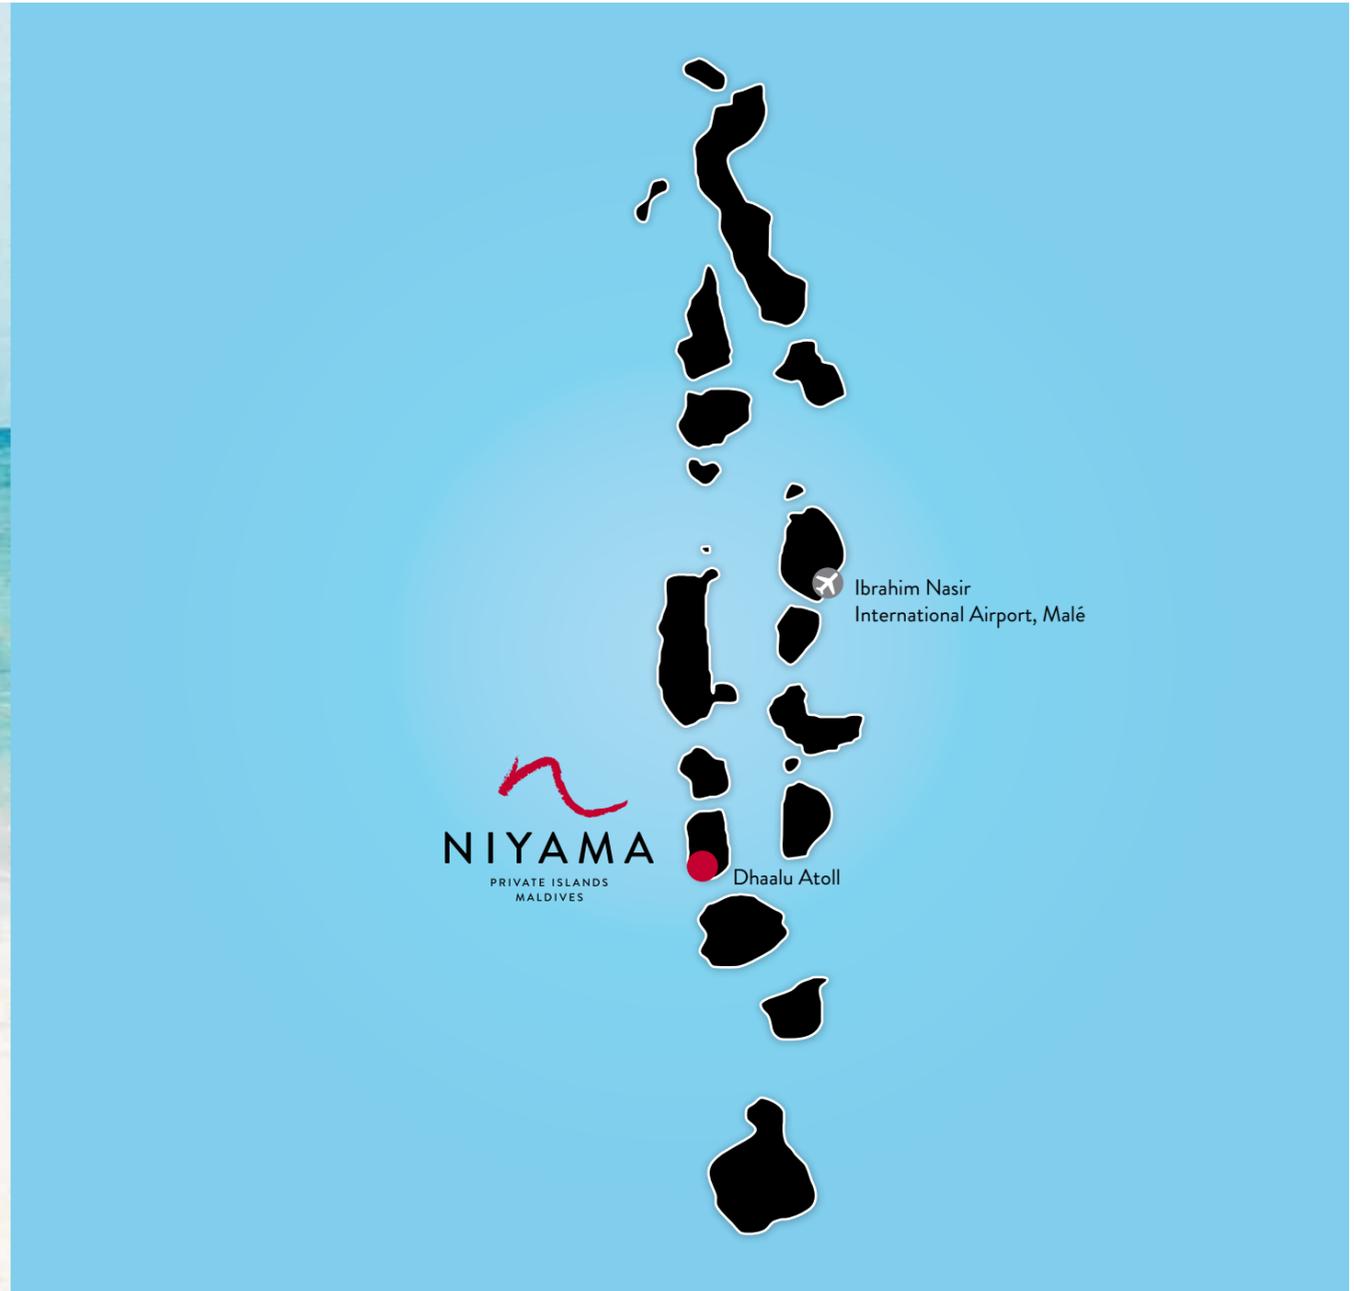

Peer out onto the lagoon or hide away in a private garden sanctuary with the sounds of trickling water echoing from your oversized bath. Treat yourself to a high-tech facial for an instant skin boost. Polish. Crush. Nourish. Soothe. Oxygenate your body. Be an Island Man. Renew post-flight with Light Legs. Spa solo, with a lover, or with your little ones.

Submerge your desires. Share your passion in an underwater wedding. Exchange vows on a private island. Take your business to new heights in the tree tops of Nest. Convene at sea. Toast to the future on the deck of a Dhoni, ivory sails propelled by Nature's power.
