

LUX*

NORTH MALE ATOLL
MALDIVES

On February 1st 2019, LUX* RESORTS & HOTELS REVEALS THE TRANSFORMATION OF THE SIX-HECTARE PICNIC ISLAND OF OLHAHALI, MALDIVES INTO THE DESTINATION'S MOST INNOVATIVE RESORT, A SHORT TRANSFER FROM MALÉ BY LUXURY SPEEDBOAT. MINIMAL TRAVEL, MAXIMUM LUXURY.

UPLIFTING LUXURY

Disrupting the Maldivian mould, traditional thatched villas are replaced with over-sized, penthouse residences demonstrating forward-thinking design for the Indian Ocean.

NATURALLY BEAUTIFUL

Inspiring nautical forms and tones enhance this intimate resort elegantly styled by Singapore design group Miaja, in a scheme that blends superyacht panache with a vibrant South Beach pulse. Each of the 67 residences sits either on the beach or overwater so that guests benefit from a breezy living area which is 350 sq m at the very minimum.

A NEW PERSPECTIVE

Introducing reef-view rooftops to the world's

lowest-lying nation. A first for the Maldives, each residence is crowned with a fully featured 120 sq m reef terrace – a magnificent private deck elevated five metres above the lagoon – from which guests will have a unique perspective to marvel over the planet's flattest country. Barbecues, ocean-view rooftop bar, private cinema and SONOS sound and streaming, yoga plinth, starlight Jacuzzi and outdoor games – all these experiences help to enhance the ultimate sky lounge for discerning travellers who appreciate originality, and love to live the high life amid get-away-from-it-all seclusion. Two world-class restaurants, signature LUX* beach club Beach Rouge, Café LUX*, The Barium a private dining room featuring a wall to wall size aquarium, LUX* ME Spa and kids' club complete the offering.
