

A VILLA HOTELS EXPERIENCE

Sun Island

— RESORT & SPA —

THE BEST OF BOTH WORLDS

Maldives

Maldives is one of the last magical places left on earth. The very name conjures up images of footprints on virgin white beaches, coconut palms overhanging turquoise blue waters and cocktails at sunset on luxurious resorts. It is magical but it's no illusion, it lies out there waiting for you to discover it for yourself. Once discovered, you'll be smitten for life.

Welcome to Sun Island

In Sun Island we pride ourselves on giving you the best of both worlds: a desert island experience and indulgent luxury, the chance to do nothing and the chance never to stop. The grand reception hall is a place to relax in

style. It's also the place to find out what's happening. Our smiling guest relations officers are always there, on hand to help out with advice and recommendations.

Lush vegetation fills the island, the scent of flowers drifts in the breeze. Ideal landscaping is combined with areas that are purposefully left untouched. Our concern for the unique Maldives environment, in all its aspects, has

been recognised by twice with the prestigious annual President's Green Award.

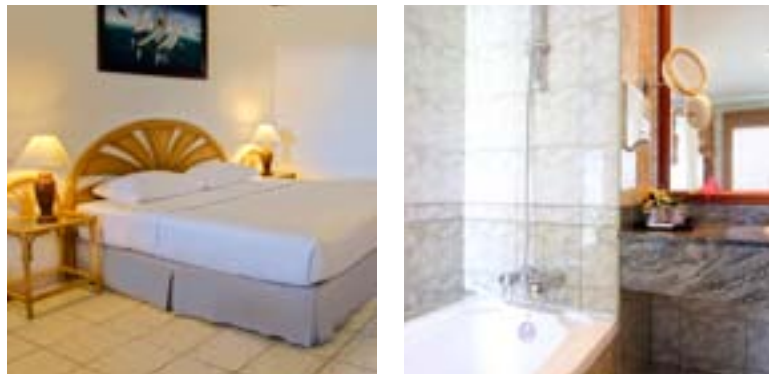

POOL

The biggest and best free-form pool in the country, around a tropical islet with a lovely little bar in the corner. A wide deck looks out to the sea and back to the pool and connects with the service of the main bar.

Accommodation

Retreat to the casual comfort and elegant atmosphere of Sun Island Resort & Spa , offering 426 beautifully furnished guest rooms and suites.

DELUXE ROOMS

Tucked inside pockets of greenery, each deluxe and super deluxe room enjoys privacy as well as a view across the beach to the sea. A large verandah offers you shade, whilst our interiors give you all the comforts of home, and more besides. Satellite television and internet come as standard, accompanied by 24-hour room service. All super deluxe rooms have a miniature garden and outside shower.

WATER BUNGALOWS

A wooden jetty fans out across the lagoon providing access to the luxurious water bungalows. Large and richly

furnished, each bungalow has its own private sundeck and steps down the shallow lagoon teeming with fish.

SUITES

Our Presidential Suites, located at the end of the water bungalow jetty, are the epitome of grand living. Twice the size of the regular bungalows, they offer an aristo-

cratic level of living, with no effort spared to give that special guest a truly regal experience.

From the parquet floors to the corniced ceilings, from the lounge bar to the jacuzzi on the deck, these are rooms for true connoisseur of fine living.

Activities

From young children to old souls, Sun Island Resort & Spa captivates the heart of every guest who enters our doors. As befitting our position as the largest of Maldives family resorts, we offer a vast range of onsite activities that appeal to every age and interest.

EXCURSIONS

“Hello Neighbours” is a popular excursion, a chance to witness traditional Maldivian life, aspects of which have remained unchanged for hundreds of years. We take you to the islands to experience the everyday lives of the

locals. In an era of change, lives of these locals are too changing very fast - experience it before it disappears. Dolphin trips are always a thrill. And everyone loves the sunset fishing; especially when we barbecue the catch

for dinner. You can enjoy the evening and make new friends over a glass of wine and red snapper.

WATER SPORTS

After a rest have a change. When you’ve had your fill on tanning on the beach, try a little watersports. The soft shallow lagoon is perfect for learning the art of wind-surfing. And that’s just one of a whole range of activities

on offer. Head down the jetty and drop in on the underwater world of turtles, eagle rays and butterfly fish, of sharks, parrot fish and jacks; an array of exciting colours and movements.

DIVING

If you haven't dived before, now is the time to learn. If you do dive you probably know that this area of South Ari Atoll is one of the most renowned areas for diving in the whole country. The Dhigurah Channel and the Kudarah

Protected Marine Area are world-class sites, within an hour's boat ride. Other highlights are the Manta Points and the chance to see whale sharks on the outer atoll sites. With double tank dives, night dives and safaris, as

well as twenty minute introductions at three metres, the dive school is willing and prepared for everyone.

Experience Araamu Spa

Each of the pavilions in the Araamu Spa has twin treatment tables and several of the many massages on the menu are especially designed for the romantic couple. Set in a lush tropical environment of overflowing vegetation, frangipani and bougainvillea, amidst pools and fountains, the spa is a very special retreat of calm and

tranquility at the heart of the resort. Sun Island offers you sun, fun and activity; but we also know that time alone, apart from the crowd, is vital to reflect, to revive and to reinvigorate yourself. Here at the Araamu Spa we have created the ideal setting for just those moments.

Wine & Dine

What could be more romantic than a table for two under the stars, a special menu, waiter service and the gentle sound of lapping water on the shore? This is just one

way for a loving couple to get away and enjoy a long evening together falling deeper in love. Our fine Italian restaurant might be your preferred choice, or perhaps

the Japanese menu, Thai restaurant or the private dining at the floating platform. The options are there, it's all at your pleasure.

Wedding Renewal

The ultimate romantic gesture is our Wedding Renewal Ceremony. Whether newlywed or incurably romantic, this sensitive and delightful ceremony will bring back fine emotions and deepen your commitment to each other. In ceremonial clothes, accompanied by traditional drummers in Maldivian livery, the whole event is a touching spectacle set in a tropical paradise.
