

INTERCONTINENTAL®
FIJI GOLF RESORT & SPA

An aerial photograph of a tropical coastline. On the left, a dense line of green trees and palm fronds borders a narrow, light-colored sandy beach. The beach curves along the edge of a vast, crystal-clear turquoise lagoon. The water's clarity reveals the sandy bottom and some darker patches of coral or rocks. In the distance, a small island with more greenery and a few buildings is visible. The horizon line is straight, separating the deep blue ocean from a clear, bright blue sky. The overall scene is one of a pristine, award-winning tropical destination.
